Ref: Recommendation for Mr. Olivier Cuevas, Director
American Education Services (AES)

Dear Colleague:

I am pleased to write this letter of recommendation for Mr. Olivier Cuevas, Director of American Educational Services (AES), which is based in Nice, France.

We began working with Mr. Cuevas in 2002, and not only has he sent a large number of students to our intensive English language programs, but he also has sent more students to UCLA Extension certificate programs than any other overseas representative.

Mr. Cuevas has visited us many times here in Los Angeles, and we have visited his offices on several occasions also. He is well acquainted with our programs and services, and he also is very familiar with Los Angeles and the area around UCLA. Thus, when students ask specific questions about our location, programs, housing, and other services, Mr. Cuevas is able to provide accurate and detailed information.

In addition, Mr. Cuevas is responsive to his students' requests and concerns, and he maintains close contact with them and also with us. We believe that you and/or your students will enjoy working with Mr. Olivier Cuevas, and, in summary, we recommend him highly.

Please do not hesitate to contact me if I can be of further assistance in regard to Mr. Cuevas and/or to any other concerns that you may have.

Sincerely,

William H. Gaskill, PhD, Director
International Programs and the American Language Center
